Who we are

Who is providing this notice?

Union Square Credit Union

What we do

How does Union Square CU protect my personal information?

To protect your personal information from unauthorized access and use, we use security measures that comply with federal law. These measures include computer safeguards and secured files and buildings.

We also maintain other physical, electronic and procedural safeguards to protect this information and we limit access to this information.

How does Union Square CU collect my personal information?

We collect your personal information, for example, when you

- Open an account or apply for a loan
- Apply for financing or provide account information
- Show your driver's license

We also collect your personal information from others, such as credit bureaus, affiliates, or other companies.

Why can't I limit all sharing?

Federal law gives you the right to limit only

- sharing for affiliates' everyday business purposes—information about your creditworthiness
- affiliates from using your information to market to you
- sharing for nonaffiliates to market to you

State laws and individual companies may give you additional rights to limit sharing.

What happens when I limit sharing for an account I hold jointly with someone else?

Limits for sharing by one will apply to everyone on your account.

Definitions

Affiliates

Companies related by common ownership or control. They can be financial and nonfinancial companies.

- *Our affiliates include companies with a Union Square name, such as Union Square Insurance Agency*

Nonaffiliates

Companies not related by common ownership or control. They can be financial and nonfinancial companies.

- *Union Square Credit Union does not share with nonaffiliates so they can market to you.*

Joint marketing

A formal agreement between nonaffiliated financial companies that together market financial products or services to you.

- *Our joint marketing partners include insurance companies.*
